Orion Analytics Ltd: Audited Financial Statements, year ended 31 December 2024

Auditor: Marlow & Finch LLP. Signed 28 March 2025

Independent auditor's report (extract)

We draw attention to Note 14, which indicates that the company breached its leverage covenant on 30 September 2024 and that a waiver has not yet been obtained. These conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Income statement (USD thousands)
